## PERSONAL PROJECTS

**Portfolio website:**

My personal portfolio website where I have included my personal data, skills, work experiences, etc. using html, CSS and js.

Code: <https://github.com/Srijal01/My-Portfolio>

Demo: <https://www.srijaldangol.com.np/>

**Academic Conference Management System (ACMS):**

System built with Next.js and Prisma (SQLite) featuring secure user authentication, paper submission and review workflows, role-based reviewer/chair actions, a responsive UI with micro-interactions, and seeded demo data for quick testing.

Code: <https://github.com/Srijal01/ACMS>

Demo: <https://acms-nine.vercel.app/>

**TechVerse Blog:**

A modern, fully-featured blog built with Next.js (App Router) and Tailwind CSS. It includes a fresh teal/cyan/emerald theme, per-post images, a reusable SVG logo, and a subscription modal (dummy) ready to connect to your email provider.

Code: <https://github.com/Srijal01/TechVerse>
